Parish Advertisements

The purpose of the parish advertisements is to not only give you exposure and allow an opportunity to reach other parishioners of various parishes but to also be a stream of revenue for The City of St. Jude Parish. We want to give this opportunity to our parishioners only but if we do not receive enough participation in advertising will have to consider other businesses outside of our parish as well. This opportunity is more about supporting your parish as a parishioner and invest in The City of St. Jude Parish

God Bless
